Colin,

The previous Land Division Timet project manager Omer Shalev and I met on Friday for a hand-off of the project files. Karolyn Harrington will be uploading them to the ERRC database over the next month or so.

In searching these files, I've identified the following records (attached) that are responsive to the request specifically regarding Francy's Mountain.

This took me 45 minutes to complete.

Thanks,

Hi Barbara,

The only issue I was involved with concerned a landfill at the TIMET facility. Francy's Mountain is not familiar to me. I was giving support to Enforcement on the TIMET facility related to disposal of inadvertently generated PCBs in a landfill within that facility that was not permitted or allowed to receive PCBs.

Best,

Hi Carmen,

LND has also been assigned to respond to a FOIA request for records associated with Francy's Mountain that may be associated with TIMET. I did a quick check for Francy's Mountain, but I didn't find any records here at the RRC.

Chris Rollins is the SME for ENF, but he suggested that you may have records for Francy's. The requestor agreed to a 30 day extension, so the revised due date is 6/16/2018 but the fee is \$50. If you estimate that your time will exceed this amount, please let me know before proceeding.

Thank you!

Mr. Rollins,

Thank you for your email. I am working remotely today and tomorrow, so I apologize for the delay in calling you back. I will endeavor to do so later this afternoon. A 30 day extension is fine. I look forward to speaking with you, and am sure we can narrow the request.

We really are only interested in the material related to Francy's Mountain.

Best regards,  
Jessie

Dear Jessie Helm,

I just left you a message, regarding FOIA Request EPA-R9-2018-006758 related to the TIMET facility in Henderson, NV. I am interested in narrowing down the scope of your request considering I have quite a few documents in my possession pertaining to the TIMET site, but not much pertaining to the stockpile commonly referred to as Fancy Mountain. I would also like to request a 30 day extension so that I can properly review my files to narrow down the scope of your request and see if I have anything responsive.

If you have any questions, please feel free to contact me at (415) 947-4166. Thanks!
